

Canadian Population Society (CPS) 2003 Annual Meeting, Dalhousie University, Halifax

Agenda: Overview of Sessions

Location: Room 212, Management Building (LeMarchant & Coburg Streets)

		<i>Chair</i>	<i>Time</i>
Daily	<i>On-site registration and check-in at Student Union Building (SUB)</i>		<i>07:30-19:00</i>
Day 0	Saturday 31 May 2003		
Session 0	Symposium on advanced analytical methods (4 workshops) <i>Supplemental registration required</i>	Gustave Goldmann	08:30
	<i>Informal get-together at University Club</i>		<i>17:30</i>
	<i>CPS Council meeting (room 212, Management Building)</i>		<i>19:30</i>
Day 1	Sunday 1 June 2003		
Session 1	Socio-economic status and health	Judith Rempel	08:30
Session 2	Inequality in health care and health outcomes: results using linked survey and administrative data	Doug Norris	10:40
Session 3	Aging populations	Leroy Stone	13:30
Session 4	Transitions and social integration	Zheng Wu	15:40
Day 2	Monday 2 June 2003		
Session 5	Immigration and economic well-being	Shiva Halli	08:30
Session 6	Immigration: stock, flows and effects	Rosemary Venne	10:30
Session 7	Well-being of children and families	Russell Wilkins	13:30
Session 8	CPS annual general meeting	Frank Trovato	15:50
<i>CPS banquet</i>	<i>Guest of honour</i>	<i>K. S. Joseph</i>	<i>19:00</i>
Day 3	Tuesday 3 June 2003		
Session 9	Aboriginal populations	Richard Wanner	08:30
Session 10	Internal migration, urbanization and development	Alan Simmons	10:40
Session 11	Determinants of fertility	Charles Jones	13:30
Session 12	New issues and opportunities in demographic data analysis	Rajulton Fernando	15:50
	<i>Presidents' reception (Dalhousie Arts Centre sculpture court)</i>		<i>17:30</i>
	<i>CPS Council wrap-up meeting (room 212, Management Building)</i>		<i>19:00</i>

All sessions and council meetings will take place in room 212 of the Management Building, which is located at the corner of LeMarchant Street and Coburg Street. Coffee and other refreshments will be served from 08:00-08:30 each day, prior to the morning sessions, as well as at the morning and afternoon breaks.

Canadian Population Society (CPS) 2003 Annual Meeting**Dalhousie University, Halifax, Nova Scotia****Pre-conference Symposium Saturday 31 May 2003****Regular sessions Sunday-Tuesday 1-3 June 2003**

	<i>Page</i>
Overview of sessions (all in room 212 of the Management Building).....	1
Information for presenters	2
Program committee	2
CPS officers	2
Detailed agenda: papers by session	3
Author index	10
Conference registration, accommodation, etc.	12
Abstracts and biographic sketches	<i>Separate booklet</i>

Information for presenters

A maximum of 15 minutes are allowed for each oral presentation, immediately followed by 5 minutes of questions on that paper. The last 10 minutes of each session are for general discussion on any of the issues raised by the papers. PowerPoint presentations are encouraged. A laptop computer with PowerPoint for Windows, plus a projector for the computerized images will be available at all sessions. A standard overhead projector will also be available for showing transparencies.

Program committee

Program chair	Russell Wilkins (Statistics Canada)
Local organizer	George Kephart (Dalhousie University)
Other members	Doug Norris (Statistics Canada)
.....	Alison Yachyshyn (University of Western Ontario)
.....	Rosemary Venne (University of Saskatchewan)
Student paper chair	Tina Chui (Statistics Canada)
Pre-conference symposium	Gustave Goldmann (Statistics Canada)

CPS officers

President	Frank Trovato (University of Alberta)
Past President	Roderic Beaujot (University of Western Ontario)
Vice-president	Russell Wilkins (Statistics Canada)
Secretary-treasurer	Rajulton Fernando (University of Western Ontario)
Councillors	Tina Chui (Statistics Canada)
.....	Shiva Halli (University of Manitoba)
.....	Catherine Krull (Queen's University)
.....	Andy Siggner (Statistics Canada)
.....	Richard Wanner (University of Calgary)
.....	Zheng Wu (University of Victoria)
.....	Alison Yachyshyn (University of Western Ontario)
Journal editor	Wayne McVey (University of Alberta)
Newsletter editor	Gustave Goldmann (Statistics Canada)
Webster	Judith Rempel (City of Calgary)

Saturday (all day), 31 May 2003**Session 0: Symposium on advanced analytical methods**

Organizer: Gustave Goldmann (Research Data Centre Program Manager,
Census and Demographic Statistics Branch, Statistics Canada)

Location: Room 212 of the Management Building (at the corner of LeMarchant
Street and Coburg Street)

This all-day symposium provides an overview of some of the methods that serve in the quantitative analysis of longitudinal data with complex survey designs. Each workshop begins with an overview of the major features and characteristics of the method, followed by examples of how it can be applied.

Registration fee: \$20. Advanced registration required. Please make cheques payable to the Canadian Population Society, and send to Rajulton Fernando, CPS Secretary-Treasurer, Department of Sociology, University of Western Ontario, London ON N6A 5C2. For further information, contact the symposium organizer, Gustave Goldmann (gustave.goldmann@statcan.ca).

Workshops*Time*

Coffee and other refreshments 08:00-08:30

Céline Le Bourdais (Centre interuniversitaire d'études démographiques,
Institut national de la recherche scientifique, urbanisation, culture et société).

Event history analysis. 08:30-10:00

Morning break 10:00-10:30

Rajulton Fernando (Department of Sociology, University of Western Ontario).

Proportional hazard modelling. 10:30-12:00

Lunch 12:00-13:30

Richard Wanner (Department of Sociology, University of Calgary).

Panel regression: Fixed and random effects models. 13:30-15:00

Afternoon break 15:00-15:30

Marie-Andrée Somers (Department of Administration, Planning and Social Policy,
Harvard Graduate School of Education).

Hierarchical linear modelling. 15:30-17:00

Informal get-together for CPS members at University Club 17:30-19:30

CPS Council meeting (room 212, Management Building) 19:30-21:30

Sunday Morning, 1 June 2003

Coffee and other refreshments 08:00-08:30

Session 1 Socio-economic status and health 08:30-10:20
Chair Judith Rempel (Community Strategies, City of Calgary)

Amélie Quesnel-Vallée (Department of Sociology, Duke University). *Social inequalities in health insurance coverage and health in the United States: addressing the selection bias in health and SES with fixed effects regression.*

Edward Ng, Russell Wilkins, Jean-Marie Berthelot (Health Analysis and Measurement Group, Statistics Canada), and Francine Mayer (Département des sciences économiques, Université du Québec à Montréal). *Regional differences in health expectancy by neighbourhood income and education in Canada.*

Paul James (Department of Epidemiology and Community Medicine, University of Ottawa). *The effects of socio-economic status on avoidable mortality in Canada from 1971 to 1996.*

Leslie L. Roos, Jennifer Magoon (Manitoba Centre for Health Policy, University of Manitoba), Sumit Gupta (Faculty of Medicine, University of Toronto), Dan Chateau (Manitoba Centre for Health Policy, University of Manitoba), Paul J. Veugelers (Department of Community Health and Epidemiology, Dalhousie University). *Socioeconomic determinants of mortality in two Canadian provinces: multilevel modelling and neighbourhood context.*

Gobopamang Letamo (Department of Population Studies, University of Botswana). *Sexual risk behaviours of adolescents in the era of HIV/AIDS in Botswana.*

Morning break 10:20-10:40

**Session 2 Inequalities in health care and health outcomes:
 results using linked survey and administrative data 10:40-12:10**
Chair Doug Norris (Census and Demographic Statistics Branch, Statistics Canada)

George Kephart (Population Health Research Unit, Dalhousie University), Nazeem Muhajarine (Department of Community Health and Epidemiology, University of Saskatchewan), Robert Reid (Centre for Health Services and Policy Research, University of British Columbia), Leslie Roos (Department of Community Health Sciences, University of Manitoba), Deshayne Fell (Perinatal Epidemiology Research Unit, IWK Health Centre). *Needs-adjusted use of health services by income and province: the importance of alternative needs indicators.*

Deshayne B. Fell (Perinatal Epidemiology Research Unit, IWK Health Centre), George Kephart (Population Health Research Unit, Dalhousie University) Lori Curtis (Applied Research and Analysis, Health Canada), Kelly Nicol (Department of Family Medicine, Dalhousie University), Nazeem Muhajarine (Community Health and Epidemiology, University of Saskatchewan), Robert Reid (Center for Health Studies, Group Health Cooperative of Puget Sound), Leslie Roos (Manitoba Centre for Health Policy, University of Manitoba). *The relationship between work hours, occupation and utilization of general practitioners in four Canadian provinces.*

Kelly Nicol (Department of Family Medicine, Dalhousie University), George Kephart (Population Health Research Unit, Dalhousie University), Deshayne Fell (Perinatal Epidemiology Research Unit, IWK Health Centre), and Paul Veugelers (Department of Community Health and Epidemiology, Dalhousie University). *A comparison of analytical methods describing who gets screened for cervical cancer--longitudinal versus cross-sectional perspectives.*

Paul Veugelers, Alexandra M. Yip (Department of Community Health and Epidemiology, Dalhousie University), Frederick Burge (Department of Family Medicine, Dalhousie University). *Primary care and hypertension control: a multilevel study of geographic variation in availability and access to physician services.*

Lunch 12:10-13:30

Sunday afternoon, 1 June 2003**Session 3 Aging populations 13:30-15:20****Chair** Leroy Stone (Family and Community Support Systems, Statistics Canada)

Yves Carrière (Demography Division, Statistics Canada), Jacques Légaré (Analytical Studies Branch, Statistics Canada, and Département de démographie, Université de Montréal), Janice Keefe (Department of Family Studies and Gerontology, Mount Saint Vincent University), Geoff Rowe (Socio-Economic Analysis and Modeling Division, Statistics Canada), Laurent Martel (Demography Division, Statistics Canada), Xiaofen Lin (Socio-Economic Analysis and Modeling Division, Statistics Canada) and Sameer Rajbhandary (Demography Division, Statistics Canada). *The use of micro-simulations to better understand the effect of changing family structure on the needs for formal home care services.*

Peggy McDonough (Public Health Sciences, University of Toronto), Lisa Strohschein (Institute for Human Development, Life Course, and Aging, University of Toronto), Donna Ansara (Johns Hopkins School of Public Health), Georges Monette and Qing Shao (Department of Math and Statistics, York University). *Gender and distress: aging and social change.*

Kari Brozowski and David R. Hall (Department of Sociology, Nipissing University). *Growing old in a risk society: elder abuse in Canada.*

Susan A. McDaniel (Department of Sociology, University of Alberta). *Disentangling policy implications of economic and demographic changes in Canada's aging population.*

Robert Raeside and H. T. Abdullah Khan (Centre for Mathematics and Statistics, Napier University, Edinburgh). *The ageing Scottish population.*

*Afternoon break 15:20-15:40***Session 4 Transitions and social integration 15:40-17:30****Chair** Zheng Wu (Department of Sociology, University of Victoria)

Xiaofen Lin and Geoff Rowe (Socio-Economic Analysis and Modeling Division, Statistics Canada). *The homing instinct: an analysis of return migration from census data.*

Jiaosheng He and Margaret Michalowski (Demography Division, Statistics Canada). *How to make the best use of incomplete information: modelling the internal migration of the Canadian population.*

Pascale Beaupré, Pierre Turcotte, Anne Milan, Manon Declos, (Housing, Family and Social Statistics Division, Statistics Canada), and Céline Le Bourdais (Centre interuniversitaire d'études démographiques, Institut national de la recherche scientifique, urbanisation, culture et société). *Junior is still at home: trends and determinants in parental home leaving in Canada.*

Zenaida R. Ravanera and Rajulton Fernando (Population Studies Centre, University of Western Ontario). *Integration of Canadians at mid life.*

Mary Jane Norris (Research and Analysis Directorate, Indian and Northern Affairs Canada) and Karen MacCon (Department of Sociology, University of Western Ontario). *Aboriginal language transmission and maintenance in families: results of an intergenerational and gender-based analysis for Canada, 1996.*

Mary Jane Norris (Research and Analysis Directorate, Indian and Northern Affairs Canada), Lorna Jantzen (Department of Canadian Heritage) and others. *From generation to generation: survival and maintenance of Canada's Aboriginal languages within families, communities and cities.* (Poster)

Mary Jane Norris (Research and Analysis Directorate, Indian and Northern Affairs Canada), Lorna Jantzen (Department of Canadian Heritage) and others. *Aboriginal languages in Canada, 1996.* (Map).

Monday morning, 2 June 2003

Coffee and other refreshments 08:00-08:30

Session 5 Immigration and economic well-being 08:30-10:00
Chair Shiva Halli (Department of Community Health Sciences,
University of Manitoba)

Richard A. Wanner (Department of Sociology, University of Calgary). *Trends in the occupational and earnings attainments of male immigrants to Canada, 1971-1996.*

Jianye Liu and Don Kerr (Population Studies Centre, University of Western Ontario). *Family change and the economic well-being of recent immigrants to Canada, 1981-1996.*

Stephen Obeng Gyimah (Department of Sociology, University of Western Ontario). *Ethnicity, immigration and home ownership patterns in Canada.*

Tina Chui and Kelly Tran (Housing, Family and Social Statistics Division, Statistics Canada). *Labour market performance of immigrants arriving in the 1990s.*

Morning break 10:00-10:30

Session 6 Immigration: stock, flows and effects 10:30-12:00
Chair Rosemary Venne (College of Commerce, University of Saskatchewan)

Tina Chui and Jane Badets (Housing, Family and Social Statistics Division, Statistics Canada). *A portrait of second-generation Canadians.*

Ann H. Kim (Department of Sociology, Brown University). *Determinants of international migration flows.*

Zheng Wu and Christoph M. Schimmele (Department of Sociology, University of Victoria). *Immigrants' mental health and length of residence in the host society.*

Roderic Beaujot (Department of Sociology, University of Western Ontario). *The effect of immigration on the Canadian population: replacement migration?*

Lunch 12:00-13:30

Monday afternoon, 2 June 2003

Session 7 Well-being of children and families 13:30-15:20
Chair Russell Wilkins (Health Analysis and Measurement Group, Statistics
 Canada)

Charles Jones (Sociology Department, University of Toronto). *The effects of poverty and neighbourhood characteristics upon child and adolescent outcomes.*

Laurie Goldmann (Children's Policy, Human Resources Development Canada). *The well-being of Canada's young children.*

Teresa S. J. Abada (Department of Sociology, University of Alberta and Special Surveys Division, Statistics Canada). *Analyzing change in two-parent and single-parent families: economic resources versus family processes.*

Stephen Obeng Gyimah, Paul Maxim and Gerry White (Department of Sociology, University of Western Ontario). *Family structure and economic well-being in a comparative context.*

Shireen J. Jejeebhoy (Population Council, New Delhi) and Shiva S. Halli (Department of Community Health Sciences, University of Manitoba). *Marriage patterns in rural India: influence of socio-cultural context.*

Afternoon break 15:20-15:50

Session 8 CPS annual general meeting 15:50-17:00
President Frank Trovato (Department of Sociology, University of Alberta).

CPS Banquet *Salty's Restaurant in the Historic Properties at Halifax Harbour*
Open bar (downstairs) 19:00-20:00
Dinner (upstairs) 20:00-23:00
Guest of honour and dinner speaker..... K. S. Joseph

K. S. Joseph (Perinatal Epidemiology Research Unit, Departments of Obstetrics and Gynecology and of Pediatrics, Dalhousie University and the IWK Health Centre). *Reorienting clinical understanding and population health perspectives using alternative denominators for perinatal mortality rates.*

Directions to restaurant: Salty's Restaurant is at the end of Privateer's Wharf, off of Water Street at the end of Duke Street, in the Historic Properties at Halifax Harbour. Telephone: 1-902-423-6818. Website: www.saltys.ca. Close to the major downtown hotels. About a 25 minutes walk or short cab ride from the centre of campus.

Tuesday morning, 3 June 2003

Coffee and other refreshments 08:00-08:30

Session 9 Aboriginal populations 08:30-10:20
Chair Richard Wanner (Department of Sociology, University of Calgary)

Martin Cooke and Danièle Bélanger (Department of Sociology, University of Western Ontario). *First Nations mobility on the prairies: understanding migration decisions.*

Ravi Verma, Shirley Loh, Margaret Michalowski (Demography Division, Statistics Canada) and Pierre Gauvin (Indian and Northern Affairs Canada). *Spatial mobility of the registered Indian population: Statistics Canada's projection model.*

Mary Jane Norris (Research and Analysis Directorate, Indian and Northern Affairs Canada) and Lorna Jantzen (Department of Canadian Heritage). *Aboriginal languages in Canada's urban areas: characteristics, considerations and implications.*

Annette Vermaeten, Mary Jane Norris and Marion Buchmeier (Indian and Northern Affairs Canada). *Tracing of cohorts within INAC elementary/secondary and post-secondary education databases: policy implications.*

Andy Siggner and Janet Hagey (Housing, Family and Social Statistics Division, Statistics Canada). *Measuring the demographic and socio-economic conditions of the Aboriginal population in Canada using the 2001 Census.*

Morning break 10:20-10:40

Session 10 Internal migration, urbanization and development 10:40-12:15
Chair Alan Simmons (Centre for Research on Latin America and the Caribbean, York University)

This session is sponsored by the Canadian International Development Agency (CIDA), as part of the CIDA-CFHSS Collaborative Program on Conflict, Cooperation and Sustainable Development.

Andrey N. Petrov (Department of Geography, University of Northern Iowa and State Pedagogical University of Russia). *Contemporary out-migration from the Canadian and Russian North: understanding spatial differences and similarities.*

G. Edward Ebanks (Department of Sociology, University of Western Ontario). *Urbanization and sustainable development in Haiti and Dominican Republic.*

Shaohui Jiang (Department of Rural Sociology, Cornell University). *The relationship between rural land tenure and peasant migration in China since the early 1980s.*

Amir Erfani (Department of Sociology, University of Western Ontario). *Unequal development and differential fertility: a study of the provinces of Iran, 1986-1996.*

Barnabé Ndarishikanye (Policy Branch, Canadian International Development Agency). *A few words about the CIDA-CFHSS Collaborative Program.*

Lunch 12:15-13:30

Tuesday afternoon, 3 June 2003**Session 11 Determinants of fertility 13:30-15:20****Chair** Charles Jones (Department of Sociology, University of Toronto)

Jean-Michel Billette and Céline Le Bourdais (Centre interuniversitaire d'études démographiques, Institut national de la recherche scientifique). *Demographic and socio-economic determinants of the timing of first birth in Canada: a comparison by sex.*

Alison Yacyshyn (Department of Sociology, University of Western Ontario). *Malthus' argument in contemporary Canada.*

Daniel Sahleyesus (Department of Sociology and Population Studies Centre, University of Western Ontario). *The proximate determinants of fertility in Ethiopia, 2000.*

Juhée Vajracharya Suwal (Department of Sociology, University of Alberta). *Socio-cultural practices and women's autonomy among Nepal's ethnic groups and their effects on fertility and family planning.*

Bali Ram (Housing, Family and Social Statistics Division, Statistics Canada). *Emerging patterns of Aboriginal fertility, 1971-1976 to 1996-2001.*

Afternoon break 15:20-15:50

Session 12 New issues and opportunities in demographic data analysis 15:50-17:20**Chair** Rajulton Fernando (Department of Sociology, University of Western Ontario)

Janet Hagey (Housing, Family and Social Statistics, Statistics Canada). *Research opportunities and the 2001 census.**

George Kephart (Population Health Research Unit, Department of Community Health and Epidemiology, Dalhousie University). *Ethical issues in secondary use of data for research purposes.*

Michael Haan (Department of Sociology, University of Toronto). *How well do proxy variables approximate reality? Evidence from child naming patterns in the 1881 Canadian census.*

Gustave Goldmann (Census and Demographic Statistics Branch, Statistics Canada). *Longitudinal data analysis and Statistics Canada's Data Analysis Research Centres.*

Closing announcements Frank Trovato (CPS President)

Dalhousie University and King's College Presidents' reception

Tom Traves and Colin Starnes (Dalhousie Arts Centre sculpture court)..... 17:30-19:00

CPS Council wrap-up meeting (room 212, Management Building).....19:00-21:00

* Substantive papers on the 2001 census are presented in various sessions according to their subject-matter orientation, as follows: Pascale Beaupré and others (Session 4); Tina Chui and Kelly Tran (Session 5); Tina Chui and Jane Badets (Session 6); Andy Siggner and Janet Hagey (Session 9); Bali Ram (Session 11).

Font of session number: bold if presenter, regular if co-author, italics if session chair. Letter abbreviation: P if poster session, E if CPS Council (Executive), C if program committee, S if student paper chair, B if banquet.

Conference Registration, Accommodation, etc.

Conference registration

Pre-conference Symposium on Advanced Analytical Methods

Advanced registration required \$ 20. See page 3 for details, or contact the symposium organizer, Gustave Goldmann (gustave.goldmann@statcan.ca).

Congress registration fee

Regular \$100 before March 31, or \$150 from April 1.
 Student, retired, unwaged \$ 40 before March 31, or \$ 60 from April 1
 Post-doc student \$ 60 before or after March 31

CPS meeting fees (regular Sessions)--payable along with Congress registration or on-site

Regular (members and non-members) \$ 25
 Reduced (students, retired, unwaged) \$ 20

Pre-payment of Congress registration fee and CPS meeting fees (for regular sessions)

Electronic: www.fedcan.ca/english/congress/congress.html (Visa or MC)

Fax: Completed form to Congress Secretariat, 1-613-236-4853 (Visa or MC)

Mail: Completed form to Congress Secretariat prior to May 15, CFHSS, 415-151 Slater St, Ottawa ON K1P 5H3 (Visa, MC, cheque or money order in Canadian funds)

On-site registration and check-in

Student Union Building (SUB), Dalhousie University, Halifax,
 07:30-19:00 daily during conference (no personal cheques).

CPS banquet

Cost not included in registration fees. Payable on-site (to restaurant).

*CPS membership (includes subscription to *Canadian Studies in Population*)*

Regular \$ 40
 Emeritus (65+)..... \$ 30
 Student..... \$ 15

Complete Membership Application Form at www.canpopsoc.org.

Accommodation

Off-campus hotels

Special "CSSH-2003" rates available until March 31. See Congress 2003 *Registration Guide* (page 14) for complete list (www.fedcan.ca).

On-campus residences

Reasonably-priced dormitory rooms are available for conference participants at Dalhousie University, King's College and Saint Mary's University, all within 5 minutes walk from the Congress Centre (SUB). See Congress 2003 *Registration Guide* (page 15) for details (www.fedcan.ca). Note that the room rates at Dalhousie were shown incorrectly; they should have been the same as for King's College.

Transportation

The Halifax airport is 35 km from downtown Halifax and the Dalhousie campus. Airport shuttle bus service (Airbus) is available for \$20 return.

Funding

For information on the possibility of partial reimbursement of travel expenses for CPS members attending the conference, contact the CPS Secretary-Treasurer, Rajulton Fernando (Department of Sociology, University of Western Ontario, London ON N6A 5C2, telephone 1-519-661-3693, fax 1-519-661-3200, email fernando@uwo.ca).
